## **Traffic Study – Temporary Partial Road Closures**

### **Review of Results**

The City of Royal Oak Citizens Traffic Committee will be reviewing the results of the temporary partial road closures on the following streets west of Woodward Avenue that were part of a pilot project to reduce excessive speeding and cut through traffic in this neighborhood:

- Albert Avenue
- Merrill Avenue
- Parker Drive
- Warick Road
- Trafford Road

The Citizens Traffic Committee will be comparing speed and traffic volume studies that were taken before and during the partial closures, police citations given during the study and resident input from the closures. You can read more about previous events and studies here:
