A COMPLIANCE GUIDE TO SECTION 3 REQUIREMENTS

PURPOSE

The purpose of this manual is to provide a guide of Section 3 requirements. The manual provides a description of the Federal requirements and a copy of required forms.

BACKGROUND

Section 3 is a provision of the Housing and Urban Development Act of 1968. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by financial assistance from programs administered by the U.S. Department of Housing & Urban Development (HUD), such as the Community Development Block Grant (CDBG) program, be directed to low- and very low-income persons and to business which provide economic opportunities to such persons.

DETERMINING APPLICABILITY

Section 3 requirements apply to individually funded projects \geq \$200,000.

Individual projects subject to Section 3 requirements involve public improvements such as the repair, construction, or installation of public improvements, landscaping, etc.

The individual / site specific project may be funded entirely or partially by the City of Royal Oak's Community Development Block Grant (CDBG) program.

It does not apply to the city's CDBG-funded owner-occupied, single-family housing rehabilitation program. Program guidelines permit a maximum rehabilitation loan amount of \$40,000 per individual house.

It does not apply to professional service contracts for non-construction services that require an advance degree or professional licensing.

It does not apply to the purchase of materials, supplies, or equipment, unless installation "work" is involved.

CONTRACTOR'S RESPONSIBILITY

If the submitted bid is \geq \$200,00, the contractor must complete and submit the Section 3 Self Certification Form.
