## Notice of Construction

### 2022 Green Infrastructure Improvements at Pioneer Park Contract CAP2240

The city will be installing a large rain garden within Pioneer Park this summer. The improvements will direct stormwater flow from Normandy Road into the rain garden for infiltration and storage.

Construction is anticipated to begin in **July 2022** and extend into the fall. Work is currently not scheduled for Sundays or holidays. The contractor awarded this work is JSS - Macomb, LLC of Shelby Township, Michigan. City engineering staff will oversee the project.

**Scope of Work:** Work will include excavation and grading within the southwest corner of the park, drainage structures and piping, rain garden soil mix, plantings and mulch, sidewalk and curbing, grass restoration and fencing. The Pioneer Park playground will remain in use, and protective fencing will be placed around the site.

**Parking:** Work is expected to take place primarily within the park, with some equipment storage along the edge of Normandy Road and Parkway Drive. Where needed for equipment and material storage, "No Parking - Tow Away Zone - 7:00a.m. - 8:00p.m." signs will be posted 12 hours in advance.
